## CHICKEN CHASERS DUCK DEMOCRAT'S CHALLENGE

The Chasers are chickens say young Democrats Sandy Biar, 22 and Aleisha Brown, 21.

"We challenged them to come up with new jokes about the Democrats - because lately their attempts at having a go at us have been really boring", said Ms Brown.

"And we challenged them to do something really outrageous and wear our SA T-shirts on their show. No - one else would be game to," said Mr Biar.

"We sent them across express post," said Ms Brown.

"It would be more controversial than singing about Dead Celebs, cheekier than Chas ' s buttocks and more dangerous than crashing APEC," said Mr Biar.

"But we have been told that they are too chicken to take our challenge," he said.

"I grew up with those guys so it's sad to see them losing their edge," said Ms Brown.

But it's not too late. They could still wear our t-shirts. Or they could do something interesting like If the Democrats were a musical," said Mr Biar.

"We really don't mind people making fun of us - as long as it's funny," said Ms Brown.
