## RECONCILIATION CONVERSION?

### THERE ARE 4 R'S IN AUSTRALIAN HISTORY MR HOWARD

Democrat Senate candidate and former history teacher Ruth Russell has called on Mr Howard to add the republic, refugees and ratifying Kyoto to his conversion on reconciliation.

“Mr Howard sabotaged the republic and locked up refugee children for years.”

“His refusal to ratify Kyoto set back Australia's and the world's response to climate change.”

“Mr Howard must know that history will judge him harshly for these failures.”

“An 11th hour conversion on the 4 r's of Australian history will bring compassion and vision back into the political debate for the first time in Howard's reign.”

“Kevin Rudd, as always, will follow Mr Howard's lead,” said Ms Russell.
